In 1993 the Second Division competition was combined with the Sydney Suburban competition.

As winners of the Sydney Second Division competition in 1991 and 1992 Hornsby were promoted directly into Div 1 of the Suburban competition.

Hornsby won that competition against 17 other teams in 1993 - the structure changed in 1994 with the top ten teams from 1993 remaining in Div 1.

Hornsby was relegated to Subbies Div 2 following a 10th place finish in 1997.
